

Asymmetrix GC
Beginners Floor & Vault Competition
Musselburgh Sports Centre
26th October 2003-10-27

Ten Clubs from all over Scotland entered this 2 piece competition. This is the second time Asymmetrix GC has held such an event and, as happened the first time, things went smoothly and fun was had by all.

The competition was tough as a high standard of gymnastics was on display throughout the day. Eventually, the medals were spread amongst several clubs with many gymnasts earning merit certificates for their performances.

Asymmetrix GC would like to thank the judges, the coaches of all the clubs that entered, the gymnasts and all the volunteers who made the competition go so well.
